hydrapacial™

Tighten. Brighten. Hydrate.

This nutrient-rich booster combines globally sourced ingredients (eastern and western) to help brighten, tighten, and hydrate skin's appearance.

Olive Leaf Extract:

Known to help reduce the appearance of aging by nourishing the skin with hydration.

Proprietary Hydracomplex:

Made of nourishing ingredients (rice bran extract, polyglutamic, and hyaluronic acid) that work together to help improve skin's hydration, suppleness, and plumpness.

Fermented Adaptogen Blend:

Made with brightening, softening, and firming extracts of snow mushroom, beetroot, and tiger grass to help support and restore skin's dewy-fresh glow.

Niacinamide

(a form of vitamin B3):

Known to smooth, moisturize, and deliver protective properties against environmental stressors for healthy, radiant skin.

*Gluten-free and Dermatologist approved.
